THE Bryan wave continues to increase in volume and the goldites continue to move toward their doom Nothing short of a miracle can prevent the election of the silver ticket and the people of the country are gradually getting ready for the glorious victory they are to achieve.

Per your Protection.—Catarrh "Cures" Comes for Catarrh in liquid form to be taken internally, usually contain either Mercury or Iodide of Potassa, or both, which are injurious if too long taken. Catarrh is a local, not a blood disease, caused by sudden change to cold or damp weather. It starts in the nassi passages, affecting eyes, cars and throat. Cold in the head causes excessive flow of mucus, and, if repeatedly neglected, the results of catarrh will follow; severe pain in the head a receipter sound in the cars, lad salts of catarrh will follow; severe pain in the head, a rearing sound in the ears, had breath, and oftentimes an offensive dis-charge. Theremedy should be quick to allay inflammation and heal the membrane. Ely's Cream Balm is the acknowledged cure for these troubles and contains no mercury not my injurious drug. Price, 50 cents.
